### STATEMENT OF OBJECTS AND REASONS

The Madhya Pradesh Ayurvigyan Vishwavidyalaya Adhiniyam, 2011 (No. 19 of 2011) was enacted for the purpose of ensuring systematic, efficient and qualitative education in Medical, Dental, Nursing, Ayurvedic, Unani, Homeopathy, Yoga, Naturopathy, Siddh, Paramedical and other allied subjects at Degree and Diploma level.

2. In view of the growing responsibilities of the Ayurvigyan Vishwavidyalaya and in view of the continuous rise in the number of nursing and paramedical institutions spread across the State and the growing annual intake of students, it is necessary that other recognised Government and Private Universities to take up the responsibility to provide for quality education in nursing and paramedical subjects at Degree and Diploma levels, while the Ayurvigyan Vishwavidyalaya can focus on providing quality education in Medical, Dental, Ayurvedic and other subjects as mentioned in the Statute except nursing and paramedical subjects.

3. Hence this Bill.
